### COMPOUND – Conditions of Use

Storage of boats is only available to full members, i.e not available to social or associate members.

**All boats must be clearly named with the name displayed on the boat.**

In the interest of the club the Management Committee reserve the right to restrict access and amend storage fees for unusually designed boats.

Orkney Sailing Club does not accept any responsibility for the safety or security of member's own craft or yachts whilst stored in the compound. This responsibility lies entirely with owners who should ensure that their insurance cover is adequate. Storing your craft or yacht in the compound implies acceptance of this condition.

Storage fees are currently £3 per foot for up to 4 months or £6 per foot per year for up to 12 months, measured to the next whole foot of overall length or standard lengths as below. (Fees as at 01/01/2017)

**All storage fees are payable in advance**, i.e before entry into the compound. Boat owners should liaise with the compound supervisor (Harky Hutchison) in advance to reserve space. Gate keys and TC keys are available by application to the treasurer with a refundable deposit payment of £2.50 per key.

Standard Lengths:

Hobie Cat	18 feet	Laser	14 feet
505	17 feet	Rocket	14 feet
